

EU GPP-Award

Winner 2016: **Bratsigovo Municipality, Town of
Bratsigovo, Bulgaria**

**Renovation and reconstruction of heat supply systems and heating systems in
'Bozhura Furnadzheva' kindergarten and nursery**

Bratsigovo municipality signed up to the Covenant of Mayors 29.01.2015. A SEAP is currently being developed and GPP will be incorporated. The project included the renovation of the heating system with a replacement of the heaters and piping as well as the installation of new wood pellet boiler and the installation of solar collectors for water heating to ensure supply of domestic hot water.
